

## Penticton Pikes Aquatic Club

The Penticton Pikes Aquatic Club is a “Summer Swim Club” of approximately 80 swimmers who compete within the BC Summer Swimming Association (BCSSA). There are over 60 aquatic clubs in the BCSSA with a total of about 5000 swimmers. The swim season begins in May and finishes two weeks before school resumes each year. The club welcomes swimmers age 4 and up to register for the competitive swimming or development programs, for those just learning to swim.

### Philosophy

The club believes strongly in providing its members with a fun, supportive and nurturing environment in which to develop their swimming abilities. Each swimmer is taught and coached at a level and in a manner commensurate with his or her age, ability and personal goals. Novice swimmers are taught the basic of swim strokes and competitive technique, while more experienced swimmers focus on speed, endurance and performance.
