All Swimmers from Div 1 – 4 must go to marshaling for each event.

Swimmers from Div 5 – 8 need only check in with marshaling once at the beginning of the day. There will be no calling of these events, the swimmers are responsible for ensuring they are behind the blocks and ready to swim when the referee calls the race. Swimmers may still come through the marshalling area to congregate and organize themselves prior to going out on deck. Swimmers will check in with the lane timers to ensure they are in the right heat.

Officials: As for all swim meets, we rely heavily on the active volunteerism of parents. Please do your part! An Officials meeting will be held during warm-up each morning, and new officials are more than welcome to attend. Clubs will be assigned lanes to time throughout the meet.
