

The Comox Valley Blue Devils Swim Club is currently accepting applications for winter maintenance coaching positions with the team for the 2024-2025 winter maintenance program.

The Blue Devils Swim Club is one of the oldest clubs on Vancouver Island with a rich 75 year history in the Comox Valley. We are a fun family centered club with approximately 25 winter maintenance swimmers ranging from part-time social to strong, committed competitive.

We are looking for candidates with strong leadership qualities, a solid understanding of the fundamentals of swimming techniques, and a love for the sport. They will also present with experience, education, professionalism, and strong communication skills. The winter maintenance season runs from mid-September to the end of April with the kids in the pool for 2x1hr sessions per week. Preference will be given to students currently enrolled in full time studies.

Job Description

- Responsible for creating, organizing, and implementing a winter maintenance training program for the club as a whole as well as each swimmer group in the pool
- Demonstrate positive encouragement and strong leadership guidance
- Ensure a safe and positive environment for all swimmers
- Adhere to the winter maintenance training schedule
- Communicate with and provide feedback to swimmers, guardians, and board members
- Provide monthly and year end reports to the board of directors
- Adhere to BCSSA guidelines including Safe Sport

Preferred Qualifications

- SafeSport Training
- CPR-C
- LSI
- NCCP Level 1
- NL Certification
- Previous coaching experience

Wages will be negotiated based on experience and qualification

Applications will be accepted until positions are filled

A criminal record vulnerable sector check must be submitted prior to a job offer
