CODE OF CONDUCT & RULES:

The BCSSA Rules, most recent edition, shall apply throughout the Championships. All member clubs, competitors, coaches, officials, or individuals attending the Championships shall abide by the BCSSA Code of Conduct. Any member or individual found to be in violation or non-compliance with the BCSSA Code of Conduct, as well as its rules and regulations, may be subject to disciplinary action at the sole discretion of the Meet Manager. Disciplined members or individuals may appeal to the BCSSA Provincial Board. The decision rendered by the BCSSA Provincial Board on the matter shall be final.

Marshalling Rules for 2024

1. Senior Divisions Check in Procedure for Finals (Div 5 and older)

- a. Finalists, Consolation Finalists and Alternates will report directly to the starting end of the pool prior to the start of their race. They are independent, and will not be marshalled. Failure to be ready will result in the swimmer being scratched from the event.
- b. Finals will be swum first, followed by Consolation Finals. The Clerk of the Course, or designate, will be conspicuously stationed adjacent to the start end of the finals pool, and will assist the session referee with alternate substitutions.

2. Alternate Process

- a. Each Region must appoint a contact person for all matters relating to **Regional Alternate** and **Wildcard** entries. This person, with contact info, must be forwarded to the Meet Manager prior to the meet, and shall be easily reachable before and during morning preliminaries.
- b. **Regional Alternate** substitutions should be submitted by the Regions to the Meet Manager prior to the deadline of **12:00 PM of the Monday of Provincials week (August 12, 2024)**. Regional Alternates (along with Wildcard entries) will be added to the meet file and will be included on the prelim heat sheets distributed to coaches and officials.
- c. A list will then be produced and published showing the 'official' two fastest **Provincial Alternates** for each preliminary event, drawn from all eligible swimmers in the Province not already qualified through the Wildcard or Regional Alternate process. This **Provincial Alternates** list will be used by the Clerk of the Course, both in marshalling (for the Junior events), and behind the blocks (for the Senior events), to fill empty lanes. It is the responsibility of these alternates to be at marshalling (junior pool) or near the session referee (senior pool) when the preliminary race is marshalled/called.
- d. Any late substitutions of **Regional Alternates** (after the Monday deadline and up to the session referee calling that race) will be the sole responsibility of the **Region**. A '**Regional Alternate**' slip must be completed by the **Region**, and must be brought to the Clerk of the Course, or Senior Pool

designate, by the alternate swimmer. No late Regional Alternate substitutions will be permitted without this slip.

3. Elite Athlete Eligibility

- a. Any swimmer who has achieved a SNC Senior National Qualifying Time during the preceding 3 years shall compete in Division O8, regardless of their age.

SPEED SWIMMING STARTING SYSTEM:

The Quantum Timing System will be used as the approved automatic judging and timing system for the Speed Swimming Championships in accordance with the BCSSA rules.

SCRATCHES

BCSSA Scratch Sheet is provided on page 42.

HEATS:

- It is the responsibility of the Region to administer any scratches **after** the Regional Advancer File has been submitted to the Provincial Office and Meet Manager.
- Scratches prior to the Regional Alternate Deadline, which will result in the Regional Alternate swimming, must be submitted to the provincial office before Noon, Monday August 12th. This will allow the changes to be made in the meet file prior to printing the coaches and deck officials heat sheets.
- If a Regional Alternate will be swimming due to a scratch after this deadline, the Region must follow the instructions in ‘Alternates’ guidelines below.
- The region should advise the Meet Manager or Clerk **as soon as possible** of any late scratch where there will **not** be a Regional Alternate. These empty lanes may be filled by Provincial Alternates.

FINALS:

- Scratches for finals should be done **as soon as possible** following the posting of the preliminary heat results. The Office must be advised, by the coach, on a BCSSA scratch form, of this scratch. This will ensure that all parties are aware of the change, and will allow alternates adequate notice to prepare for their race.

ALTERNATES:

- Any Regional Alternate being substituted **after** the Monday Aug 12 deadline must have a Regional Alternate Slip duly completed by the regional entries person. **No Regional Alternate will be permitted to swim without this slip.** The Regional Alternate should be at the Clerk of the Course, with slip, in place of the scratched swimmer, and identify themselves when that swimmer/ heat is called. Regional Alternates will not be called.
- A maximum of 2 Provincial Alternates will be eligible to fill empty lanes in heats. If no Provincial Alternate is present when called, the Heat will be swum with that lane empty. Provincial Alternates will not be called by name.
- All Alternates for Finals must go to the Clerk of the Course or designate and be available when the event is called. Alternates will not be called by name.
