

Campbell River Salmon Kings - Winter Maintenance Swim Coach

You have a competitive swimming background and a passion for the sport. You enjoy coaching youth and possess NCCP and NL/Bronze Cross training. We're looking for a fall/winter swim coach to lead our swimmers and continue to build their skills from September through to April.

The Campbell River Salmon Kings Summer Swim Club started over 60 years ago and offers a winter maintenance training program during the off-season. The ideal candidate will provide an engaging learning environment and be prepared to lead practice sessions for swimmers at all levels, including Coaches-in-training who will assist you on deck.

What You'll Bring

- First Aid & CPR-C required.
- NL preferred; Bronze Cross required.
- NCCP training (eg. Community Sport Coach, Swimming 101-Fundamentals) and/or Swim Instructor training, are preferred.
- Previous competitive swimming experience.
- A good understanding of how to write practice plans and engage swimmers during practices.
- Minimum one-year Coach/Coach-in-Training experience (volunteer or paid).
- Several years of experience working with children & youth are an asset.
- Positive attitude, energetic, punctual, and able to work in a busy & fast paced environment.
- Strong leadership skills, organized, and able to communicate effectively.
- Clear Criminal Record Check (with Vulnerable Sector).

If interested, a 2024 summer coaching position could also be available for the right candidate.

To apply, please email vp@campbellriversalmonkings.ca prior to August 28, 2023, at noon.
