**MARSHALLING:**

**We will be using the “Simplified Marshalling Procedure.” Divisions 5-8 will NOT be marshalled. These swimmers are responsible for being behind the blocks and ready to swim when the referee calls the race. There will be no check-in, marshalling, or announcing of events. The heat sheets will be posted to allow swimmers to verify their event, heat and lane assignments. Swimmers may still come through the marshalling room to congregate and organize themselves prior to going out on deck. Swimmers will check in with the lane timers to ensure they are in the right heat.**

### Marshalling for Divisions 1-4:

- Calling of the meet will follow the BCSSA policy regarding marshalling calls.
- Events will be called 2 times with 2 minutes between each announcement.
- Div. 1-4 must go to marshaling for each event. **For all div 4 events except for the 50 fly, the div 4 swimmer will be alone in marshalling. They can take this opportunity to see how div 5-8 marshal themselves, and will have guidance**

### TIMERS & OFFICIALS:

As for all swim meets, all clubs are expected to have individuals to work as deck officials and timers. Clubs will be assigned lanes for timing based on swimmer numbers. Please organize volunteers from your club to fill these positions.

### **THE EQUALIZER RELAY:**

The "Equalizer Relay" is run as the last event on Saturday. Each club will select 4 swimmers to complete (one relay team per club). Coaches select swimmers for this event and may use this event as a chance to reward their swimmers for sportsmanship, achievement or personal bests.

Swimmers selected must have swum the 50m free on Saturday (heats or finals) and not been disqualified.

The times for the swimmers are summed and the start is staggered, with the slowest entry times going first. Each team will be given a start signal based on their summed entry time.

For example,	Team A	total time	2:00
	Team B	total time	2:20
	Team C	total time	1:50

Team B will be started by the starter (the slowest time).

Team A will be delayed 20 seconds.

Team C will be delayed by 30 seconds.

The timers will have stop watches that start on the clock.  
The timers will tap swimmer on the ankle when it is their time to start.
