Novices:

New this year, Novices will be swimming before heats at Saanich Commonwealth Place. Novice events are scheduled on Saturday and Sunday. A swimmer is to be entered as a "Novice" in a particular event only if they are unable to swim a 25 metre stroke in less than 30 seconds and are still developing stroke specific skills. Once a swimmer has competed in a 50 metre event (including relays) at a BCSSA swim meet, they are no longer considered novices in that stroke, regardless of time achieved, so please be careful when forming relay teams. Times swum in Novice events will not be posted. Swimmers in Novice events are to report to the marshalling section of the on deck bleachers.

Inclusive Practices:

Coaches must notify the Meet Manager at the beginning of the meet of any swimmers with diverse needs so accommodations can be made.

Timers:

Each participating club will be responsible for supplying timers. Clubs will be advised the week before the meet as to how many lanes they are responsible for and a signup will be posted at the pool each day.

Heat Sheets:

Psych sheets will be available the evening before the meet and finalized heat sheets will be made available to coaches and officials and will be posted at the pool before the start of racing.
